SCOTT'S GRILLED CORN WHEELS

In his usual style, Mover Scott amped up the silly factor on one of his favorite vegetables by making ears of corn resemble wheels and gears. Corn on the cob never looked better!

Ingredients:

- 4 ears of corn (white or yellow), cut into 1½ -inch wheels

Directions:

1. Wrap corn wheels in wax paper and place on a microwave-safe dish. Microwave on high for 5 minutes. Allow to cool slightly before handling.
2. Preheat a grill on high, or a grill pan over medium-high heat. Grill corn wheels on each side for 1 to 2 minutes.

Makes 4 to 6 servings.

REMINDER TO SELF: Ask parents if children have any food allergies!
